EXPLOSIVE ORDNANCE DISPOSAL (EOD) ON-THE-JOB TRAINING

Phase 1 Course Start Date:

Phase 2 Course Start Date:

I understand that as an OJT Soldier with the SORB(A) Fort Bragg I will:

- ___ Maintain accountability with my first line supervisor at my home unit.
- ___ Participate in Airborne Operations and all mandatory formations with my home unit.
- ___ Keep the SORB(A) informed of your attendance at home unit activities.
- ___ Arrive prepared to conduct training at 0630 - 1700 hours Monday-Friday.

I request OJT Status with the SORB(A) in order to prepare for EOD School. The attrition rate of Phase 1 of EOD School is 51 percent which is extremely high. OJT will teach the majority of the material he will need to learn for Phase 1 while being in a low-stress environment. During his time with the EODRT, he will be led by an Explosive Ordnance Disposal Specialist Non-commissioned Officer and taught basic electronics, ordnance identification, ordnance safeties, and associated terminology as well as instruct him/her on what will be required while attending EOD School.
